

Toronto Stars to Host the 2012 Women's Provincials

It was recently announced that the Toronto Stars will be hosting the Women's Provincials this summer. The 2012 Women's Provincials will take place over a 3 day period in mid August.

In 2011 the Toronto Stars Women's Rep Team made it to the provincials and lost by one goal. Maybe the home field advantage will help them bring home the gold in 2012.

This will be a great opportunity to showcase the sport of lacrosse and get some great publicity for our growing league.

The Toronto Stars has several successful Girls/Women's programs - Girls Box House League, Girls Field and a Women's Intermediate Rep Box team.

The girls field division is offering **Try-It nights**

A series of sessions for girls from 7 to 15, with no experience, who want to try lacrosse. Sessions started Jan 11th and will run every Wednesday evening until April 4th at Malvern Collegiate Institute. 55 Malvern Ave (Beaches) Toronto, ON. The cost is only \$10.00 for all sessions and a stick will be provided.

****Park in North Parking lot and enter (through Door 3 Pool Entrance) Follow the signs to "South Gym" where Session is held****

For more information on any of these programs you can check out the Girls/Womens Tab on our web site: www.starslacrosse.ca

Volunteers Needed

Need your community hours for high school? We have the answer for you! Come out and volunteer your time during our houseleague season in 2012.

We need timekeepers, equipment helpers, we'll find the right job for you and help you get your hours!

Contact Danielle Down at volunteers@starslacrosse.ca

Additional dates and locations will be posted at

www.starslacrosse.ca

Payment by Cash or Cheque only.

INTERESTED IN FIELD LACROSSE?

We are putting together field teams for the 2012 season and hope you will be a part of the excitement. We need to get a fairly firm commitment now so that we can submit our application to the OLA for our teams. The season runs from about the first weekend of April until the May 24th weekend (Provincials) and we play two games each Saturday. Practices starting in March. The cost would be around the \$200 mark which includes the team and player registrations, jerseys and field costs.

Why is field so important? Field lacrosse is the sport played at all Canadian and US Universities and Colleges. What makes our players stand out, they play both box and field lacrosse. Field lacrosse is an exceptional sport it can be a door that opens all kinds of opportunities in the future. Although Canadian Universities don't give athletic scholarships, being part of a team, being scouted and approached to play on a field team gives your child a big advantage when entering his or her post-secondary education. On the other hand a US scholarship is something that might work for your child there are many opportunities in the US. The US

Colleges and Universities do give scholarships and they love Canadian lacrosse players. Field lacrosse is an excellent game, don't close a door, come out and play Field Lacrosse. Can we count on you for field t? Please let me know as soon as you can with either a 'Yes' or a 'No' so we can get the ball rolling. If you have any questions please contact Rick Fitchett too at president@starslacrosse.ca

GO STARS SO!

SPONSORS

Thank you to all of our sponsors from the 2011 season. If you would like to add your name to the list of 2012 season sponsors please contact Susan Duncan at sponsors@starslacrosse.ca
